Stocktaker
Mobile Inventory Management

Save time & improve stock control accuracy

- ✓ Mobile stocktake scanning through our Android app
- ✓ Also scan stock purchases & transfers into the PDT
- ✓ Greatly reduces stock count time & data double entry
- ✓ Suitable for clubs, pubs, food retail & convenience stores
- ✓ Integrates directly with Uniwell Lynx back-office software
- ✓ Wi-Fi connectivity through Dropbox or an FTP server

Uniwell Lynx
Manage • Analyze • Promote

Smart software for managing your Uniwell POS terminals

Vastly improve the efficiency of your inventory management
